Hey Albert,

Thanks for the clarification. Yes, we would like to proceed with the purchase of ZEN vs stZEN based on a 1:1 price.

Dear Ron,

Our agreements make clear that there is no right of redemption. However, we can make available for you to purchase ZEN for stZEN at a one to one price. If you wish to proceed, please confirm that you wish to make this purchase and we will proceed with the test transaction.

Kind regards,

Dear Ron,

Thanks for the call as well, it was great to catch up.

As discussed previously, according to our terms and conditions this is not a redemption, but a trade of stZEN for ZEN. Be as it may, we will be happy to proceed with the trade if you can send us your ZEN address and the stZEN at the following address: 0xE14ce18903B0d3678a098F3BdEDA0AAC3790Ac3B

Would you like us to do a test transaction?

Cheers,

Albert,

It was great speaking with you yesterday.

As discussed and following your decision to stop operating the ZEN liquid staking operations, we would like to redeem our stZEN holdings.

Currently, we have 2350 stZEN that we would like to redeem. Can you guide us through the process of how this should be done?

Thanks,
ron
